I want to make sure the river cleanup is good for the environment and jobs.

The EPA proposal I've heard about may be good for the river and the fish. But I am not so sure it will be good for people, the people who depend on the river for their paychecks and to put food on the table. Please consider a cleanup that's good for the earth and our jobs.

Thank you for allowing me to weigh in on this important process. Please make sure the cleanup is good for our environment and our economy.

Sincerely,
